Subject: Re: SCRIPTS 3.4.4 REQUIREMENT
Posted by Xpert on Wed, 12 Aug 2009 16:18:40 GMT

I don't even use 3.4.4, I stick with 2.9.2. Same goes for some of my members, except they use RR with it.

I guess you can count me out of the tournament. I can't be arsed with 3.4.4.
