I think you left some of my comments and questions unanswered. Lets go through my post again.

Prulez wrote on Mon, 17 August 2009 12:47Crimson wrote on Mon, 17 August 2009 11:18I am happy but it doesn't forgive ignoring me. If he's going to give the nick away, why give it to a new community when there are other more established communities that deserve it more?

Who are you to decide which community deserves the hostname more, if it isn't even your hostname to begin with?

I can't see an answer to this in your post, sorry.

To add to that question, I like your attitude about 'deserving' the hostname. How can you 'deserve' a hostname, it just gets granted to you.

Anti-NS? The way I see it, people left your community, then started their own, seperate community.

You gave no comment on this comment. Even though it was not entirely required, as it was not a question, I would still like to see if you would like to comment on my statement. If not, then I entirely understand, being the good guy I am.

Prulez wrote on Mon, 17 August 2009 12:47Also.. your server nickname? Did you even use it back then? When a new community was formed on that nickname (Exodus, or should I say faildus/exofail because you like filtering it to that, really good job on deleting that poll btw) you instantly wanted to put up a marathon server on that nickname, probably just to stop us.

Thanks for answering this question, it is highly appreciated. Comparing Renegade hostnames to real world restaurant chains made me laugh, thanks for sharing that.
