Goztow wrote on Sat, 22 August 2009 02:27I'm not 100 % sure what you mean with "seed". Could you expand a bit on it? Is it like the favorite or so?

Seeding determines the tournaments bracket.

I personally wouldnt do it with a public vote though, I think the organizers of this tournament know the strength of the communities well enough.

a public vote will likely result in the community which has the most people registered on this forum getting a bye.
