2009 18:19is it just me or they are stupid

when they hack why post here for everyone to see it'

Because i wanted to proof you can go dirty while playing n00bstories and you wont be discovered anywhere fast. I wasnt using dmg hack all over, they disocvered my after i was shooting rl with faster velocity on Volcano.mix. I used not only dmg bonus. Just to proof it wasn first game, im not lying. Most of times i used left button with normal damage, sometimes right with bonus. Theres alot of peeps on n00bstorie using "extra tools".

I do not use cheats while playing, i just wnated to see how long take mod to catch me. You can use spectacor mod as full mod and observe me.

Carrier, Here's your HOF material.

My thoughts exactly.

Am i reading that wrong or is he saying that he uses cheats but isn't a cheater?

He has no concept of what BIATCH is or that he was automatically caught cheating the first time he did it. He thinks a person caught him and is trying to convince everyone that it took us a long time to do so.

I tried to find a picture that does this thread justice but I just couldn't find anything. I don't know how you pic a thread that contains fail cheating, mass stupidity, UNrules moderation, AND gay porn all from the OP.
