pawkyfox wrote on Tue, 08 September 2009 18:38Damn, it looks so incredible good in-game! Excellent work as usual! The preview picture here does not do it justice. I think everyone that likes skins should try it.

It looks like I am on a space ship when driving the Mammoth. Excellent top notch skin. The textures are everywhere and very nicely and evenly distributed. imo This skin basically defeats all the other C&C 3 mammoth skins.

Yes it does LOL

(no offence to JsxKeules mammy or gnoepowers mammy )
