Sorry but he's still a guilty pos.

I can play post a link too, but it doesn't mean anything.

Did you see the interview where that boy was holding hands with him and putting his head on MJ's shoulder? Saying they loved each other and nothing wrong with that?

Sick shit.

You probably believe OJ was innocent too. LOL

Yeah, because clearly, fathers are supposed to beat their kids senseless and shouldn't show them ANY compassion, so it's outright forbidden for any man to care for children- whether they be directly his or not.

And OJ is a different story.

Also, how's he guilty? He was never proven guilty, all the "evidence" is made up by people who simply wanted him for his money, and so on.
