GoldDrag wrote on Sat, 12 September 2009 03:44Uhm, the image says Gold&Black SBH.  
Isn't that clear enough?

No, because I can't see the back of the SBH at all. Also, a name means absolutely nothing. I could call my skins "SHAMWOW C4" and people might still not get a clear picture in their head.

EDIT: Shamwow C4... Now that's an idea...
