And on a more serious note, I wonder if anyone actually understands how this changed the US... if it even did at all, as I see no real difference in anything since then, aside from us maybe killing a few more terrorists and it being more public.

It may not effect you directly in a significant way, but it definitely changed the country and the world. Economy, safety, politically, etc

[http://en.wikipedia.org/wiki/September\\_11\\_attacks#Aftermath](http://en.wikipedia.org/wiki/September_11_attacks#Aftermath) explains it a bit.

Also, lets try and keep this topic as a mourning. There's a debate thread in the Heated Discussions forum.
