We can't sit around EVERY SINGLE night waiting for you to finally show up, some of us have things to do. This is the second time you have agreed to a date and time and not shown up and it's really not fair on those of us who have actually rearranged our schedules to be available at the time of the matches. Get your act together or forfeit the match.

(NB: I am speaking on my own behalf and not on behalf of the clan, but I believe I am not the only one who is more than slightly annoyed by this.)
