I still haven't even seen this poll, nor do I care. We had one 3 months ago here, did we not? Wasn't it 50-50 ish? That's enough for me.

I didn't say anything because I wasn't reading it because I haven't been involved in the CW community in several years. It really wasn't interesting to me.

I still don't see how I was covering anything up, from what I could tell you two were arguing on some other topic, which I assume was here in one of the sections, and some of it spilled over into the topic on Jelly. All I did was delete it because it was in the wrong place, it's not some conspiracy.
