Moderator's point:
Yes, I will be moderating this under the following rules:
1) Any posts mentioning the fucking pointsfix without justification or relevance to the actual purpose of the topic will be removed.

2) Anyone who tries to drag this into ZOMG TT DICTATORS ZOMG or any other form of inane rubbish will be subject to warnings and bans.

Me:

How about changing the Points:Credits ratio for certain things...
I'm still of the opinion fixing tanks isn't rewarded enough.
