We just finished the NE vs Shadow Team game and here are the results:

First map Islands

NE: Nod

ST: GDI

Time: 16 minutes

Result: NE wins by base destruction

Second map Islands

NE: GDI

ST: Nod

Time: 27 minutes

Result: Shadow Team wins by base destruction

According to Tournament rules:

Quote: If both communities destroyed each others base, then the community who did it in the fastest time wins.

Therefore: NE advances.

Good games and pros to shadow team!
