pawkyfox wrote on Sun, 18 October 2009 10:36 Anyway, this HUD wars will all stop once TT patch rolls out.

Exactly this!

So why not let them have their fun while they still can?

These building bar things aren't anything compared to simple brightly colored C4 skins.. and even with those, people suck.

So why not let other people uses these building bars and make the game more interesting for the rest of us? (I mean, if the rest of you can't handle a slight challenge in a video game with no official rankings, then I understand..)
