TheDragonAircraftkiller1. You're an idiot.

2. You're an idiot.

3. You're an idiot *AND* you contribute nothing to this community.

4. You spam the forums and post up absurd images after being warned, twice.

i'd say of all the people deserving to be banned, you are on the top ten.

For what, praytell? Because I don't like some "modifications" people make and tell them that? Or because I don't kiss ass at every available opportunity?

Go find something else to bitch about.

Quote:1 & 2.Only you seem to think that

2.I'm contributing.....im working on about 5 projects right now

4.This i snothing compare dto the countless flame wars you have started

Well la-de-da, none of your "projects" are finished, no one knows what they are, and no one seems to care.

"Flame wars" aren't anything but heated discussion, if you can't take it, don't view it. Pretty simple, unless you're an idiot... Oh, wait.
