HAI GUYZ, LETZ GIVE ALL OUR MONIES TO OUR GUBMENT SO DEY CAN RUN OUR LIVEZ. WHO WANTZ TO MAKE THERE OWN DECIZYUNZ? I KNO I SURE DON'T. LETZ ALL TRUST POLITICIANZ INSTED.

Hey, we're not giving the government our entire lives! Just the ability to run and control our power, water, food, transportation, income, entertainment, television, education, ability to defend ourselves, and who can and cannot get jobs.

We can still jack off in our own homes, though! TOTALLY FREE MANN

Man, you're right. Starting today, I'm going to stop paying taxes and start generating my own electricity, pumping my own water, growing my own food, paving my own roads, printing my own money, homeschooling my own kids and stockpiling automatic weapons to defend myself with. That makes MUCH more sense than paying taxes.
