I'm the one who actually posted my ideas about the ladder and defended my position; wasn't me who turned into personal attacks and lying to make the other person look bad.

ELi3FLyR wrote on Wed, 28 October 2009 15:46and i am the one who told u to lock the topic on clanwars.

Of course you did, you'd already been completely humiliated on jelly and you probably suspected you'd have even less luck at clanwars.

ELi3FLyR wrote on Wed, 28 October 2009 15:46im fine with u using pointfix on ur league Cool, that's a complete reversal of everything you've ever said on the subject. I'm glad to hear that.

ELi3FLyR wrote on Wed, 28 October 2009 15:46dont tell me u really believe that, spoon was the one who bought up clears pointpushing 4 years ago yes, in rebuttal to personal attacks from clearshot. and you've never really stopped bringing up h2o supposedly pointpushing in the same month, have you? you even lied to everyone (again) to try to implicate me in it.

ELi3FLyR wrote on Wed, 28 October 2009 15:46and started the whos better argument aswell. totally untrue, you're the one who originally used this. I wouldn't base my argument on this, because -a- I don't need to, I've got enough evidence and logic on my side anyway, and -b- if I did, don't you think I'd be saying it to almost everybody instead of just you?

ELi3FLyR wrote on Wed, 28 October 2009 15:46he then continued it on the clanwars forum because he got all pissy when clear kicked him from ts. wow lol... you're trying to paint me as the bad guy for pointing out how gay clearshot was acting AGAIN after i did absolutely nothing wrong to him.
