Congratulacions! You guys can count!

Here, have an exerpt from a poem I wrote, quite applicable at the moment.

One with true wisdom is one who knows,
True victory comes not from butchering foes.
The greatest battles are never fought in any lands,
Nor are their weapons touched by mortal hands.

True, absolute victory must come from within,
Ceasing the conflict beforehand, avoiding the sin.
The combat is harsh, but victor rewarded,
Nothing but triumph can be afforded.
