"Don't be telling people you were kicked for winning because there is no way in hell you near as good as the next player down."

LoL. You say I am worst than fr0chin? Ask fr0chin we did play vs each other and I AM better. About the other guys in the top 10 I don't really know...

Drkxfactr is the newest guy in 1st place and I am at least as good as him...

BTW, I was playing your server today with another name, I was at my 5th game. 1st game I had 42 kills, 2nd game i think 37, 3rd game 40, 4th game only 29, and the 5th game, guess what happened? You guys banned before I would get #1 again on the ladder :rolleyes:

"Oh and by the way I think you will dodge this challenge" I am not a wuss, but I am sure if you were me, you wouldn't show up, as every person makes assumptions from their OWN perspective..

Even if I loose, I don't care what you say, because I do not use the bandwidth restrict crap. I don't need it..
