No, corny best describes the C&C storyline that takes itself seriously - those two were entertaining.

Generals = easily the best C&C, but the dweebs hated it for excluding Kane and his evil Brotherhood!!!11 Hardcore C&C fans = a very special kind of losers. Most people don't quite "hate" generals, they just hate that they named it C&C. It had nothing to do with C&C, and the style was much more similar to Warcraft than C&C. If they just called it something different, no one in the C&C community would have given a shit.
