Generals was and is a cnc, but it was new kind of saga. Theres tiberium saga about Nod and GDI, Red Alert saga about Allies and Soviets and the generals saga about Chinese,American,GLA war. I love C&C3 and KW, especially C&C3 it game play is just amazing, feels a bit oldschool. I never liked ra3 due to that it feels and looks really gay..

Gen was quite good balanced but ZH ... is just frustrating even if its addictive.
