Sir PhoenixxNodbuggerIf I saw the other side I would possibly tell you it looks like the one in CS.

This almost qualifies for the dumbest comment said today.

Hmmm, maybe that's because... They're both MP5's? :rolleyes: It's an MP5 variant, ALL MP5's look alike.

aww god I hate to say it but your a dumbass. No two 3d models look alike. Let alone the skin. The skin looks like the skin in CS.
