<3 Raven for trying to stay out of it by saying the old "we have our own opinions."
wut?

If he would have kept his mouth shut in the first place and stayed out of a thread that didn't concern him it would have been fine.

I like how after I posted playdude here stop. That is typical.

All he said was "lol"...is that really that offending to you that he thought it was funny that your community was respectful, that you need to post about it, trying to make him look like a bad guy? Sometimes saying nothing at all is the best way to go.
