We will don't know who will advance to round 5 in the NE vs OS game, because TD said we could still play them (they posted their roster this morning) which is why we didn't post it in the Round 5 thread. Why would we put it if we can't guarantee that we're even in Round 5?

NE is still in.

I've advanced NE, but can reverse this action if you still want to play them today, since they did post their roster a bit after the deadline.

I asked for round 5 rosters because it will be the day right after, which is tomorrow. Seeing as I didn't know who would advance I just asked for both OS and NE to post their rosters for that round as well.

Your choice, fobby. Advance or give OS a chance? No reply = advance.
