Next time please don't confirm, then pull out last minute. Our community was ready to play today. We didn't expect SoQ to pull out, then TD to magically extend the deadline to accomodate them. It was in favor of the tournament, because it wasn't only SoQ who couldn't play, but also NE.

I'd rather have two matches played instead of two teams advancing due to forfeits, especially since there are now four teams left.

If you think you can get the match done today, or any day before the deadline, go ahead and settle it with SoQ.
