I remember wrs telling me that, but he never seemed like a cheater to me and was good before all of the really slick cheats came out. The only thing odd about his style was that his movement was pretty simple while his accuracy was unlike anyone I've ever encountered.

some say he was busted, I never seen any hard evidence of it myself. I was pretty cool with the guy and what I've known of him, I don't think he would've cheated. I get accused to this day by some pretty oldschool and hardcore players, saying I've just been slipping by like MaKa, but come on, for 7 years? lol.

Tunnel ratting isn't my only strenght.. I actually prefer the old-school way when tunnels were actually blocked lol.

we should get some aow funwars in, I haven't seen you in-game in a while, (smurfs don't count ^\_^)
