If you haven't tried liquor before turning 21, you're most likely a sheltered loser. That's not why he's so incredibly lame, tho. He made it sound as if he had an opinion on the matter, yet wouldn't voice it because that would be inappropriate...quite possibly the lamest way to respond to the topic. I guess he said the same thing when he was 16 in threads about movies that were rated R....jeez.
