Fuck vodka, seriously. That shit is only drinkable when mixed. Whiskey all the way. If you do not like whiskey you either have not had a decent whiskey or you are a faggot. Either way, keep the vodka in Russia.

Oh, and who gives a fuck when someone drinks underaged. Drinking age is 16 here but I probably had my first drink when I was 13. Wether or not you drink before drinking age is your own choice, but not drinking 'till 21 is pretty queer.
