Caveman wrote on Mon, 07 December 2009 11:32By the sounds of it its already being privately tested. Well atleast parts of it. So one can only assume it will be officially publicly released sooner or later

I can assure you all that the Bluehell Productions Testing team dedicates a lot of time to testing 4.0. 4.0 is definitely coming along and while I obviously don't have a release date, the wait is absolutely worth it.
