Distrbd21 wrote on Tue, 15 December 2009 15:54 the mod release forums here has a lot of badass skins, you just have to look through them all.

for the clear scope, everyone i know use's it, or they don't use the scope.

link here

<http://www.n00bstories.com/forums/index.php?t=msg&th=8945&start=0&rid=0>

as for the rest i just think you should look through the websites <http://www.renegadezone.com> here game-maps etc.

Heeeeey thanks bud G-Man, your link just opened another window with this thread. but thanks for the hassle Really appreciate the hospitality round here keep it real! Thanks Distrbd21
