I'm fully aware that TT shouldn't include balance changes, but the keyword here is should. I want to be damn sure it doesn't before it's pushed. The fact if something is a bug or a balance issue can be different in the eye of the beholder, as was shown in the past. I think this is the most nonsensical post I've ever seen you write. OK, one word: POINTSFIX.

This is why we are discussing it again.

So how bout a poll? I will start one in another thread. With specific topics to debate. As this thread is on page 4 and the antipointfix camp has lost due to someone's sexuality being challenged for nonsexual related ideas.
