HaTe wrote on Sun, 20 December 2009 11:29 Explain to me how i lost the argument, if it continues? Ego much?  
might wanna read page four buddy. it's not egotistical to say you lost that one pretty badly, look how many things you were wrong about. it's not a small number.

the sad part is, you said you'd love to be proven wrong. that didn't turn out to be very accurate...
