Person 1: God is right.

Person 2: I don't believe so.

Person 1: I do.

Person 2: I don't because \_\_\_\_\_

Person 1: I was just stating my opinions, you cannot prove me wrong. Therefore, I am not wrong.

Saying "it's just an opinion!" isn't a "Get out of factual argument free" card, dumbass. Especially in the way you argued it.
