It's true. It's not our fault. It's going to happen. Get over it.wow, sure, JUST IGNORE ALL THE EVIDENCE THAT ITS ANTHROPOLOGICAL. you stupid fuckface.
Humans ASSIST in it because of all the emissions we put out. But if Humans did not exist on this planet, then it would still happen anyway.

It is not our fault, we are only speeding it up.

"I didn't murder that guy! I only assisted! IT'S NOT MY FAULT!! IT WOULD HAVE HAPPENED ANYWAY!!1!"
