Sensitive anti-cheat information should be sent via PM to a forum moderator or a member of the TT team, preferably a BI member, or Jonwil.

Edit - Your post is in the silo, a private dumping ground for stuff that needs to be moved, I imagine TT are already aware of this particular issue, as that style of hack is a little old, however, I'm sure that a TT member will be able to see that post anyway. If not, I can copy it in PM.
