No, show me the math that you are talking about.. Everyone here is laughing at your dumbass, because you try to act smart, saying you have information you can't provide for anyone to see. You're just trying to make it look like you know half-shit about renegade/pointsfix. Now get your retarded ass out of this thread you homosexual failure.

edit: I have real life things to deal with now, you can stay and argue in this thread! bye-bye!
