thank you GEORGE ZIMMER

i know, but its my first map ever :/
i dont model since years...i just model since 3 or 4 weeks.

and yea i know the tunnel looks shit,but wasnt finished. Same for the building setup, i just loaded it to 3ds max, didnt moved it,
and i dont know how to do better terrain, i followed the tuts @ renhelp and this was coming out. lol

But okay, i will try it again.
but i still dont know how to apply more than 2 textures to my terrain plane
