SPIKDUM wrote on Thu, 31 December 2009 15:18Quote:Advertising: forum members can advertise their Renegade or Command and Conquer related community, clan or business via a small line in their signature. Renegadeforums.com takes no responsibility for the services these members are offering, and is just a platform for these advertisements.

When was that rule made?...

A bunch of communities have done threads like this before, and there's never been an issue. Why beef?
