it during the week, more people will come

I agree to this too. Also due to real life stuff, my weekends are now eaten up and my weekdays  
see plenty of spare time.

edit: this is also the main reason I have my doubts as to the Jelly vs Renforums game.  
With the timezones the week nights are not so great. Seeing how we have Europeans,  
Americans, and others playing the weekend is proolly the only option for a good turnout.
