Obama's hog-tied mainly because his own party is too damn busy fighting with itself over health care, and trying to sell it to the American public. This is something most American's want, and yet the Dem's still screw it up. Bill Maher said it best, when he said the Democrats couldn't sell Cub Scouts to a pedophile.

As for Mitt, he used to be pretty liberal in the social department, but now he's pro-life, anti gay marriage, and all that stupid garbage that gives conservatives a bad rap. Unfortunately, you more or less have to adopt those views in order to get elected in the US.
