Altzan wrote on Fri, 12 February 2010 23:36 Good idea... I'm not a fan of the actual scene, an aerial view of the base might have worked better... but that's just my opinion.
i could see where your coming from but i think that view doesnt really go with black and white. It may go with it but i havent actually seen a black and white aerial view. picturing it, it doesnt seem to fit.
