Gdi pipes are done to

Also I wasn't sure if this is better looking then the original, so I decided to make before and after screenshots.

By comparing them I was shocked to see how fucking ugly the original actually is

I can say by myself that this is definetely a big improvement.

Right now I am fixing the last bugs, while I am doing that I am still open for suggestions to add/change things for the tunnel.

After that its releasing time

gdi pipes.
