JohnDoe wrote on Tue, 02 March 2010 14:216% of the UK's population holds an honor's degree...I'm guessing less than 3% hold a Masters'?

The permanently unemployed have no business deciding the direction a country is heading as they're not contributing in any shape or form. A positive side-effect would be that politicians will stop playing the "the unemployed are starving; minimum wages are too low" card to cash in on 1-issue voters.

Where is your room to talk? You are from Germany. Anyway British always owed the US so I am sure we are glad for them to crash and burn in hell.
