I'm sure they'd stop calling white people dumb names if white people just didn't act like dicks to them.

Plus, 'cracker' is a hilarious word; how could you not laugh at it? Same goes for 'white trash'. The thing is, the historical context of these particular words was brought on by white people unto themselves - cracker refers to the shitty diet of poor whites, and white trash represents poor, dumb, inebriated, racist white people who squeezed out way too many bucktoothed, inbred children.
