Seriously. The only argument you've given is "Well, the blacks endured shit, so you shouldn't be racist against them!!1", which is fucking stupid. Every single race has had bad shit happen to them.

Giving the people that were at one point discriminated and treated badly some magical given right that protects them from certain insults/humor because it was used back when they were enslaved/treated like shit/whatever, is fucking retarded beyond belief.

Come up with a better argument than "that's just how it is, DEAL WITH IT LOL". That's the same logic used when people lynched blacks, FYI.
