Seriously. The only argument you've given is "Well, the blacks endured shit, so you shouldn't be racist against them!!1", which is fucking stupid. Every single race has had bad shit happen to them.

There is just one race, the human race. stupid!

Didnt you learn to listen to Admiral Adama when he was at the UN?

oh, trust me, I believe that to a fairly full degree- but until people can get rid of their retarded "WELL THESE GUIZE HAD TO PUT UP WITH BAD THINGS", I can't really use any other term to describe the situation.

it's kinda ironic- by trying to remove racism and give certain races privileges as compensation for past abuse to their race, YOU'RE PERPETUATING A BROKEN SYSTEM, and also racism itself as well.
