But I'm not a racist- that's what's so insane about this.

seriously though, you've done nothing but prove you're incapable of actually arguing, and instead, make yourself look like a prick.

but I guess I'm still somehow wrong because I've clearly not presented any form of argument, nope, not atall

just sitting here, saying "n!ggers should be hung!", apparently

Edit: If there's someone who agrees with JohnDoe (or atleast is of a similar opposition to my arguments), I'd greatly appreciate it if you could post in this thread. It's a little annoying trying to squeeze a half decent argument out of him every 1 in 5 posts.
