reborn wrote on Wed, 17 March 2010 06:02www.v00d00.org is on some sort of shit list (whether this is valid or not I have no idea). Probably because someone added malicious code to his site (similar to what happened on renegade forums). Apparantly renguard uses his own site at some point...

Due to the fact my computer is fine and none of my stuff has been hacked i'm pretty sure it doesn't steal shit
