But hating on Dubya is a European pastime anyways. It's what all the cool kids like to do.

Honestly, the whole problem the media had with Bush is the fact that he is Republican. The media is (for the most part) democratic sympathizing. There are a few exceptions, but they're rare.

Doubt it. Fox News is the most watched network in the US. MSNBC, which is pretty skewed to the center-left is in second place. The so-called 'Clinton News Network' was dead last in viewership last I checked.

125 is lower than mine, and I'm sure as hell not qualified to be president of the USA, am I?

also, bashing on Europeans is so Canadian of you.
