It had been too long since we had some decent rene drama... like over a few weeks!

It's always unfortunate when communities split, and usually gets messy. AFAIK the word allied will not be filtered on reneforums, to answer one of the questions above. I'm curious though: why start a new community and not join an existing one?

To quote something that seems to apply to this:

Quote:C&C: Renegade -- Dying since 2003!™

PS: keep us informed of future evolutions!
