Quote:Is that your best attempt at a trolling ... you're this desperate for attention? You really have nothing in your life do you? It really is depressing. I guess some people just aren't blessed with a loving family or social skills.

I was born with the desperate want, i mean NEED for attention, and if i don't get it, i start crying my eyes off. My family kicked me to the curb, telling me to "fuck off", and gave me to some hookers. My social skills are that of roadkill, and will not get better any time soon. You sir, have figured me out.

Enjoy.
